**Testimonials:** “Being a corporate company with a lot of client facing staff I find it a vital part of the organisation for staff to look the part. I am the Marketing Co-ordinator at First Technology Group and got all our lady staff on a course with Colour Me Beautiful. The ladies had a fantastic time during the course learning things they never thought they would. Each individual left enlightened and motivated to look good and dress like they can conquer the world. A huge thank you to Ria for her excellent expertise, I would recommend Colour Me Beautiful to any Corporate, small company or even just an individual. The value you get out of a session with Ria is priceless.” – Jolene de Lange (Marketing Co-Ordinator, First Technology Group)

“CMB is tops, my wedding make-up was amazing - it did not only look great, but it also stayed on the whole day! Thank you Ria.” - Nadine Pauw

Ria is CMB's face in South Africa of which they can be proud, she is professional, loyal and extremely competent with 30 years of experience. I have been a client for 20 years, she is positive and always prepared to go the extra mile. You go Ria!
