Testimonials: “I went to Linda for a colour and fashion consultation. I was so blessed. Linda was professional, graceful and charming. She not only ministered to my outer beauty but also encouraged me to look inward to see what God has planted in me, as we are fearfully and wonderfully made. To bring out our own uniqueness. It was truly a life changing experience.” -Sue Van Vuuren Mogg.

“Linda as my very close friend guides me daily in dressing style and make-up in this se makes a huge difference in my life.” - Jackieh Du Toit.
